## FLANGED AND THREADED PUMP COLUMN

L.B. Foster Pump Column is manufactured to your exacting specifications on high-speed automated threading machines. Our pump column is produced in sizes ranging from 4" nominal through 14" nominal.

- > Threaded and Coupled Column
- > Flanged Column
- > Carbon Steel, Stainless Steel, and Other Alloys

We manufacture and supply flanged column in a variety of metals

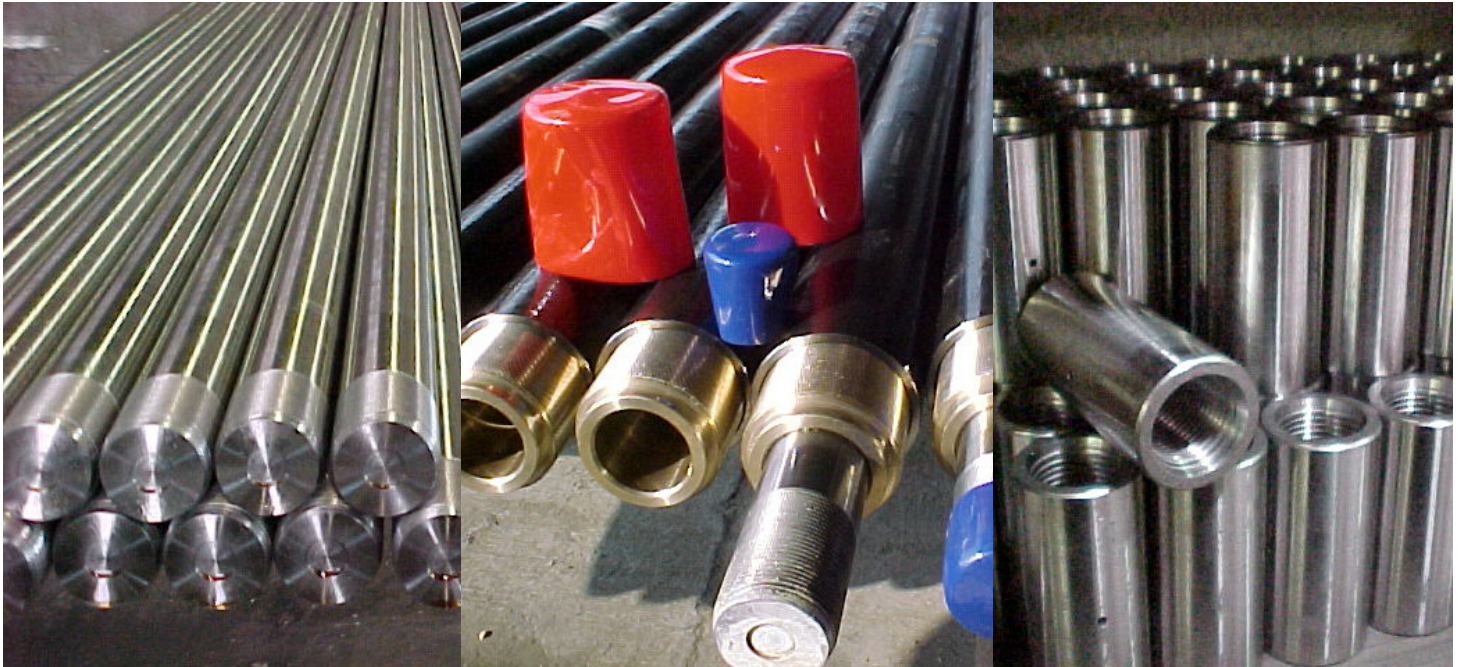

- > ASTM B271 Nickel Aluminum Bronze
- > ASTM A 53 Gr. B Carbon Steel
- > ASTM A312 304/316 Stainless Steel
- > 2205 Duplex Stainless Steel

## CNC THREADING SERVICES

Our Computer Numerical Control (CNC) machining centers produce high-quality, consistent, dimensionally accurate products. CNC precision-cut threads will ensure easy makeup for tight sound joints.

- > Straight thread
- > 8V taper
- > 8 round
- > Buttress

## Suction, Discharge, and Intermediate Pipe Sections

Quality suction pipe, discharge pipe, and pipe nipples are manufactured in lengths from 6" and longer to your requirements.

## Accessories

Accessories can be supplied in carbon, stainless, and other alloys.

- > Tube and Shaft Assemblies
- > Retainers and Inserts
- > With protective coatings meeting AWWA specifications
- > Certa-Lok Adaptors
- > Cones/Basket Strainers

## Protective Coatings

We offer protective coatings and internal linings:

- > Fusion Bond Epoxy ID/OD Protection
- > Liquid Epoxy Coating for Potable Water
- > Cement Mortar Lining
